

Gateway Today

Gateway had the privilege of helping out Ministers Phyllis and Joseph Long of LONG Ministries (Little Ones Need God) a Newark ministry assisting special needs and AIDS babies.

Some of our recent blessings!

- **Krishtan**, came to 700 N. Broad Street for an abortion. It was Presidents Day (February 21st.) and the abortion facility was closed. Gateway was open and we counseled Krishtan. She changed her mind and is now carrying to term. She also prayed to receive Christ as Lord and Savior!
- **Susan** came to 700 N. Broad St. for an abortion. She's 19, her boyfriend is 38. She really didn't want the abortion because he was battering her. She came to Gateway, changed her mind, and was helped through us and the police to secure her belongings. At last report, she's still carrying to term.

Anonymous, age 15, and a Wiccan, from Camden, NJ writes: "I am only 15 years old and it is a strong possibility that I am pregnant. I'm scared, but being pregnant isn't what's getting me scared. My boyfriend is 22 years old and I'm scared of the consequences that he may have to pay. The problem is my mother doesn't know that I am sexually active, let alone, involved with a MAN. I am not sure how to tell her or where to begin..I am in a crisis and would like to know how your program can be of assistance to me, my boyfriend, and my baby."
